April 2019

Dear Parents and Guardians:

Every year, NYC students are eligible to apply for the Summer Youth Employment Program through the Department of Youth and Community Development. All students who live in NYC and are between the ages of 14 and 24 can apply. This program offers career exploration opportunities and paid work experience, as well as workplace competence and experience in developing social, civic, and leadership skills.

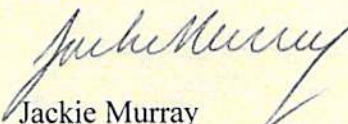

If interested, students need to complete an application either online or on paper. SYEP is a lottery, and submission of an application does not guarantee that you will be offered a summer placement. The deadline to apply is April 26th, 2019.

Please use this link for more information and an application.

You can also contact the Department of Youth and Community Development at 1-800-246-4646 or 1-646-343-6800 for more information.

Sincerely,

Jackie Murray
